

Since 1995 Allmonde International built up representative office for one of largest Australian cotton supplier COLLY COTTON. In 1996, another office serve for VOLCOT, a European group with more than 120 year's history was opened in China. We successfully helped them create and occupy huge market share in China on cotton business.

Time to 2007, India cotton shows its great cost performance. Allmonde International at that time as the first agent of famous Indian group KOTOK & CO. LTD promote Indian raw cotton into China and make a big success. Up to now, India is becoming the second largest [export](#) origin to China around world.

Under the accumulation for decades of years, Allmonde International has a mature agent business model to serve the globally trading companies and origin suppliers. From origin to the end-users, through an excellent channel of Allmonde International, we make the all parties be benefited.
